

Regulation sheet of district Authority Neunkirchen

Year 2022

issued 15th of march 2022

2. Ordinance Ordinance of the District Authority of Neunkirchen, which prescribes measures to prevent forest fires

On 14 March 2022, the district administration adopted a resolution on the basis of §41 in conjunction with § 170 passage 1 of the Forestry Act 1975, BGBl No. 440/1975 in the version BGBl. I No. 56/2016, prescribed:

Ordinance of the District Authority of Neunkirchen, which prescribes measures to prevent forest fires

§1

In all forest areas of the administrative district of neunkirchen and in their hazardous area (near the forest fire), fire-hazardous acts such as smoking, handling open fires, the use of pyrotechnic objects, any ignition of fires and the maintenance of fires are prohibited.

Above all, it is forbidden to throw away burning or smoldering objects, such as matches and smoked goods, as well as glass bottles and broken glass (burning glass effect!) in the forest area.

§2

Violations of this ordinance are punishable as administrative violations according to §174 passage 1 littera a) number 17 of the Forestry Act 1975 as amended, with fines of up to € 7,270.00 or with arrest up to 4 weeks.

§3

This prohibition comes into force on 16th of March 2022 and is valid until revoked.
